

Axalta Supports Education of Rural Girls In India

Ahmedabad: Axalta Coating Systems (NYSE: AXTA), a leading global manufacturer of liquid and powder coatings, has announced its plans to provide funding for education and support to rural girls in Uttar Pradesh (U.P.), India in partnership with Pardada Pardadi Educational Society (PPES).

"Axalta encourages the betterment of society and communities in which it operates, and we are particularly proud of our support for schools and initiatives that promote education across India," said Mr. Lokender Pal Singh, Business Director, Refinish - South Asia, Axalta. "PPES is one such initiative that benefits our society by supporting education and empowerment for young girls in India. Recipients will be able to focus on their education and develop into women who will be more likely to tap their potential and live more successful and prosperous lives." (19-10)

Drive home an ISUZU utility vehicle before 2020 to enjoy the 2019 price benefits

Ahmedabad: Isuzu Motors India urges its prospective buyers to enjoy the price ceiling and scheme benefits of its existing range of D-MAX pick-ups and mu-X SUV. Keeping in line with the upcoming regulatory mandate, the company will be closing production of BS-IV compliant vehicles by end-December 2019. The new BS-VI models of ISUZU passenger models - ISUZU D-MAX V-Cross and ISUZU mu-X SUV is expected to be dearer by ₹3 to 4 lakhs. The price of commercial range - D-MAX Regular Cab and D-MAX S-CAB will also increase by ₹1 to 1.5 lakhs (all on ex-showroom price).

Capt. Shankar Srinivas, the Company spokesperson said, "There is an air of uncertainty prevailing amongst vehicle buyers in the country. As per the government announcement, BS-IV vehicles purchased on or before 31 March 2020 will continue to run even after implementation of BS-VI norms coming in force from April 2020. ISUZU would like to notify its new and existing customers about the price hike next year and urge its customers to make appropriate vehicle purchase decisions whilst availing scheme benefits that come with the range of ISUZU utility vehicles." More than 350 students participated in the pre-departure orientation program

Ahmedabad: Mohawk College is a Canadian government funded college located in the city of Hamilton, Canada. The college educates and serves 30,000 full-time, part-time and apprenticeship students across three campuses in Hamilton and attends more than 1,200 international students from over 70 countries. Recognized as a leader in health and technology education, Mohawk is also one of Apprentice's largest trainers in Ontario.

The pre-departure goal is a fun and interactive presentation hosted by college people to show them how to prepare for this important step in your life and to prepare students for the transition from leaving home to a new country for the first time. Representatives of the Mohawk College visited the Ahmedabad city in which Mr. Fred Eisenberger, the Mayor of the city of Hamilton, was also present. Mr. Paul Armstrong, Dean for International Partnership, Mr. Keith Monrose and Market Specialist, Mr. Vinay Joshi were present and informed on how to build a better life in Canada. Mohawk College has two years of successful events that have helped future students to feel comfortable and confident before entering the very exciting next phase of their lives. (13-9)

Every individual should understand their responsibility towards their children

20th November is celebrated as Universal Children's Day to promote international togetherness, awareness among children worldwide, and improving children's welfare. Universally, the children's day is celebrated on 20th November every year in manner to spread awareness about the rights of children and to promote the welfare of worldwide children. For the first time, children's day was celebrated in October 1954, later it was change to 20th November for celebrating it, as it was the anniversary date of declaration of "rights of the child" and was signed on the same date in 1989. Since then universal children's day is celebrated on 20th November every year. We all are aware that children are preferred by everybody and without children, life become exceptionally exhausting and upset. They are honoured by the God and overcome our hearts with their excellent eyes, guiltless exercises and grins. UCD force us to think about future of our children by realizing them duty and responsibility towards children. It makes people aware about the past status of children in the country and what should be real manner to make them understand basic rights of a child. A number of welfare schemes are also announced by the Government for uplifting the Children from deprived section and bringing them into main stream.

Children in our country have been forced for hard labour for long hours at very little pay. They have not access to the modern education that's why they remain backward. They need to raise their status which is possible when every Indian citizen would understand their responsibility. Children are the future of nation and if a child is not able to get the basic needs and education then how he will be able to

No doubt, Government and non-governmental organizations assures for the welfare of poor children and tries to bring awareness among them in manner to make them understand basic rights of a child. A number of welfare schemes are also announced by the Government for uplifting the Children from deprived section and bringing them into main stream.

Children in our country have been forced for hard labour for long hours at very little pay. They have not access to the modern education that's why they remain backward. They need to raise their status which is possible when every Indian citizen would understand their responsibility. Children are the future of nation and if a child is not able to get the basic needs and education then how he will be able to

Mandira Bedi makes some tough choices after marriage

Ahmedabad: Powerful women are often summed up by hackneyed stereotypes that undermine them and their power. Even after proving themselves at every point, they are still typecast today. Smashing down such labels and more, popular actress and fitness freak Mandira Bedi took charge of her life very early on. Living her dream of becoming an actress and getting married to the person she loves, she has always made her own decisions and been very headstrong about them. As a woman in India, stereotypes towards her were very inevitable and she gracefully overcame them.

One of the many tough decisions Mandira Bedi has had to make in her life is choosing her career over becoming a mother after marriage. Overthrowing any prejudices, labels and making the toughest commitment, she delayed her motherhood for 12 years because of her professional commitments at the time. (19-8)

Finance the wedding of your dreams with a Personal Loan from Bajaj Finserv

Ahmedabad: While weddings are one of the biggest occasions of our lives, planning them can be quite stressful, especially when it comes to figuring out how you'll pay for the best venue, catering, photographers, your outfits, food, jewellery, return gifts, and more. And given the number of things you need to spend on, you may want to look beyond your savings to cover the costs.

That's where a personal loan for wedding comes in. For instance, check out the instant personal loan from Bajaj Finserv, a unique financing solution that lets you borrow up to Rs.25 lakh without furnishing any collateral and repay it over flexible tenors that suit your repayment strategy.

You can use this loan to manage your planned and unplanned expenses, and focus on having your wedding celebration without compromise. Here are some features of a Bajaj Finserv Personal Loan: Large loan amount of up to Rs.25 lakh. With such a large sanction, you can plan everything from the catering to the venue, to decorations and even an exotic honeymoon, without breaking a sweat. Choose a personal loan from Bajaj Finserv and use the money on anything you want. (1-7)

ADIDAS LAUNCHES THE NEW ALPHAEDGE 4D RUNNING SHOE

Ahmedabad: adidas, a name synonymous with innovative, cutting-edge technology that understands and meets the requirements of its customers is all set to launch the new ALPHAEDGE 4D 2019.

Marco Kormann, Director Platform Innovation, adidas, said, "We are proud to have taken a FUTURECRAFT concept and scaled it up significantly across our business within two years. ADIDAS 4D marks a shift in the way we approach the design and creation of our products. With the support of our partner, Carbon, we have shown the possibilities of data-driven design and digital manufacturing on a global scale. The next iteration of the technology will be to develop how it can be used to produce footwear that is tailored to specific sports, and need of individual athletes."

ADIDAS 4D was first revealed as concept release from FUTURECRAFT - adidas' innovation incubator - in 2017. The midsole is printed with

light and oxygen using Carbon Digital Light Synthesis™ technology pioneered by Silicon Valley based company, Carbon. The two companies came together to combine years of athlete data with the latest 3D printing technology which allows products to be created at considerable commercial scale. This technology enables huge benefits for both athletes and consumers so they will feel the future. (19-10)
